“Thank you to all the staff on the day as they were all so helpful and accommodating with both set up and also the live event, from as soon as the guests entered the hotel to the bar staff in the ski chalet. I also appreciate that you let us in early to the venue to set up”

“I thought it was a really good afternoon/evening. I love the Alpine Lodge! One of the things that the members of the group all say is how well we get looked after by you and the team. It really does get noticed and makes a big difference. Will definitely make sure we get back in for a Christmas event next year! Looking forward to January’s event Thanks for all your help as usual!”

“I just wanted to say the biggest thank you to your wonderful team. We had a great night at our social and every single member of staff I came across were so helpful and couldn’t do enough for us. Very grateful! Thank you again!”

“The entire team had the best time yesterday. Your staff were honestly out of this world – people were saying that it was the best Xmas do we have had to date so thank you so much!! Fantastic – is it a beach bar for the summer pop up? Is there any further information you can provide at this time for that? You were absolutely fantastic, you made the entire day so easy for us and were so helpful from the very beginning (even throughout my countless emails and questions) you were so fantastic!

Your staff, Kane, Megan and Everett were also amazing. So SO helpful and very easy to talk to. We all kept saying how fun we had and how effortless you made the event – it was truly the best Christmas event we have had as a team, so for that...thank you! Please pass on my thanks to everyone and tell them that they made the day for us yesterday!

HONESTLY THE BEST CHRISTMAS EVENT EVER! Thank you so much!!! Let me have a word with my boss and ask for dates for the summer outing, if not summer I know she is VERY keen to come back next year for Christmas”

“I wanted to say a heartfelt thank you on behalf of my team, who loved the venue and enjoyed the fantastic function you put together for us. A big shout out to the service team who cared for us patiently, despite the increasing level merriment. Luke and team could not have been more kind, fun and accommodating! We are deeply impressed by their professionalism. In the meantime, I won't hesitate to recommend you to the wider Google team. Thank you again for partnering with us and making our event a success. We look forward to returning soon”

Please thank everyone that helped that night made a special night for all of us. It really was a great experience from beginning to end. Merry Christmas to you all!”

“If I could have been more positive about our experience, then I would have done. I ran out of words to express my thanks at how wonderful the experience was from start to finish. You have set the bar and I am not sure it will ever be reached again! Wishing you all a wonderful Christmas and New Year and I hope we can meet again in 2023”

“Thanks for your email. I was going to email you today, but you beat me to it. The team had a wonderful time and Meghan our host was absolutely brilliant nothing was too much for trouble her. Thank you so much for a magical event. Hope to see you again next year, in the meantime please let me take this opportunity to wish you a very Merry Christmas and all the best for 2023”

And our late request for a birthday plate for Jacques was not only happily agreed with but was also so nicely presented – it made a real difference. The staff in the ski lodge dealt with the never-ending requests for drinks with a smile and fast service. The feedback to me has been wonderful. I have accepted it all as if it was me that had made the day such a success. In reality, it was every single person at the Montague from start to finish. You've set the bar. I am not sure how I am going to beat it next year!”

“We honestly can't speak more highly of how the event went last week. From start to finish, your staff were exceptional – Klaudia and Marlee who helped us organise and were extremely accommodating, and from the cloakroom to the bar staff to the servers, and of course the gentleman who hosted us, the service was simply brilliant. I would be grateful if you could extend a personal thanks to everyone who helped us out on the night, because honestly it could not have gone better. Guests have fed back that the food was excellent, and they really enjoyed the ski-lodge as well. It was a great day and lots of fun!”

“Thank you so much to the team for last week's Christmas party. It couldn't have gone any better. Jess was great at our first meeting and then we liaised with Marlee throughout. She was great. On the day, we were so looked after. Arjeta and Everett were on hand throughout – nothing was too much trouble and I felt that everything was under control. The food was excellent. It was served swiftly. Nobody had empty glasses.
