

THE EUROPE

MEETINGS & EVENTS

Places of extraordinary natural beauty have always inspired original thought. The Europe Hotel & Resort's unique setting on the shores of Lough Lein is one such place, making it the perfect location for conferences, seminars, workshops and gala events.

Car Launches
And Gala Events

Overview

The Conference Centre at The Europe Hotel & Resort is designed to cater for every practical need and offers advanced technical capabilities to ensure the smooth running of any conference/event with the added reassurance of WiFi internet access being available throughout the Centre.

Each of our 8 meeting rooms has natural daylight with floor to ceiling windows, is equipped with its own individual sound system, DVD and CD player, wireless and wired microphones, ceiling mounted LCD projector and automatic screen. The Ballroom is designed to be flexible and is capable of holding large conferences and gala events. Major features of The Ballroom include ceiling hanging points and ground level external accessibility making it ideal for car launches and other large scale events.

Screen sizes:

The Ballroom – 2 Side Screens: 3 m each. 1 Central Screen: 3.7 m

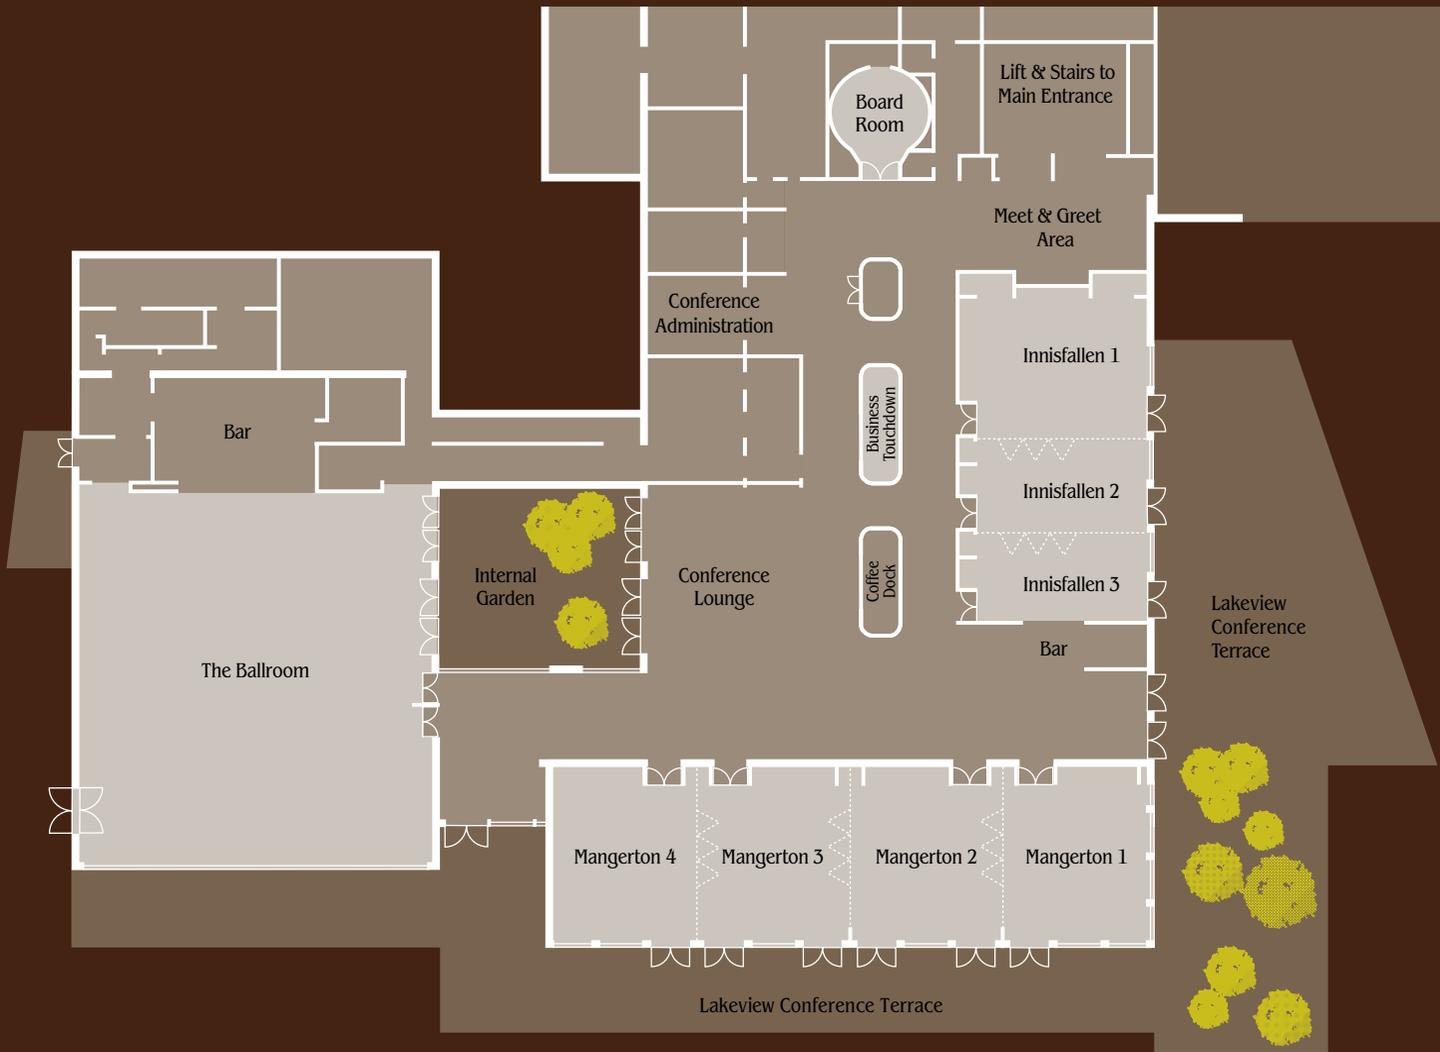

Mangerton Room (sub-divisible) – Screens are 2.1 m (4 Screens)

Innisfallen Room (sub-divisible) – Screens are 1.74 m (3 Screens)

The lighting, curtains and black-out blinds in each room are easily controlled by individual wireless touch pad control systems.

Conference organisers may use the purpose built Conference Administration Office, which is suitable for up to 8 conference staff, for the duration of the conference. This room has a direct dial telephone and can be equipped with a PC, fax machine and photocopier on request.

No.	Room	Dimensions of Rooms				Capacity of Rooms
