MILTON HILL HOUSE

A stylish conference, event and wedding venue in Abingdon, Oxfordshire. Surrounded by 22 acres of tranquil parkland just 13 miles from Oxford, Milton Hill House effortlessly blends a graceful Georgian manor house with modern facilities. You'll feel the history the moment you arrive at the house – previous residents include King William III, Peter the Great and Sir Mortimer Singer of the Singer sewing machine family.

Our conference venue offers 20 flexible and contemporary event spaces and an experienced and professional events team. The venue is ideal for meetings, training and conferences for up to 170 guests, whilst the sweeping drive, landscaped Italian gardens and beautiful views make a beautiful setting for celebrations and weddings. Our restaurant and bar serve seasonal food in relaxed surroundings and we offer a range of leisure facilities indoor and out, along with 120 guest bedrooms.
