We're part of Smart Group, a multi award-winning collection of hospitality, catering and event management businesses at the forefront of the events industry. The range of companies in our Group enables us to offer full-service solutions from planning and logistics, through to catering and entertainment at the event, ensuring we consistently show your guests a great time at a Smart Party.

# TESTIMONIALS

"Impressing our top UK sales performers is no easy task, but we tried something different with our end of year celebration with Smart Group and I have to say it didn't disappoint!"

"What a great event, hats off to you and your team. We will definitely be booking for next year!"

"The decor and ambience of the whole evening was wonderful. My whole party had an amazing time and have been telling our customers how amazing it was. Thank you so much."

# SUSTAINABILITY

We are committed to achieving both at a local level and within communities where we can make impact, including the responsible use of local resources, the integrity of our supply chain; developing our people, the health and wellbeing of our colleagues and clients and minimising any affect that we can have on the environment.

We have pledged to reduce our carbon emissions by 5% each year, achieve a carbon neutral status by 2030 and be net zero by 2050. We will achieve this through our reduce, measure and offset policy.

**ZERO LAND FILL POLICY**  
with full recycling services including food waste.

**NHS CHARITABLE CONTRIBUTION**  
with over 50,000 NHS meals cooked and delivered to the frontline.

**USE OF GREEN**  
energy solutions pledging 100% renewable by 2030.

**GREEN SMARTIES TEAM**  
volunteer throughout the year for multiple worthwhile causes.

**REDUCED DISTANCE**  
travel times and number of journeys through efficient scheduling.

# GREEN LEVY

As part of this, Smart Christmas Parties will be adding a Green Levy charge of 50p per guest to each quote. The contribution will go towards offsetting your event's carbon emissions and donating to global causes

Please note this is an optional levy. Should clients wish to opt-out, they're able to do so by letting the sales team know.

through B1G1, an impactful global giving movement, with different causes supported each quarter. Clients are invited to track their contribution to our impacts through our live dashboard on the Smart Group website.

**DID YOU KNOW?**  
When you attend a site visit with Smart Christmas Parties, we'll donate a clean water drinking tap to a family in need.

“ As a business, we believe that good environmental practice is also good economic practice. ”

## MOVING VENUE

VENUE CATERERS

Local and seasonal sourcing goes hand in hand with reducing food miles and our collective carbon footprint. We are committed to buying products of the highest quality and as a fresh food company over 80% of the produce we source is brought in fresh. We focus on seasonality and sustainability and where possible buy food that has been produced in the UK.

Recognising food waste is a huge contributor to climate change. Moving Venue have made a pledge to reduce their food waste by 50% by 2025. We will achieve this by taking a considered approach to deliver meaningful step changes over time.

90% of our Leaf Marque assured fruit and vegetables are sourced in Britain.

Our meat is Red Tractor assured produce and 100% sourced in Britain.

Every tonne of food waste is recycled by anaerobic digestion and as an alternative to landfill, prevents approx. 1.0 tonne of CO<sub>2</sub> entering the atmosphere.

All our products are sourced from sustainable, certified, ethical trade or Fairtrade sources in line with the BRC Global standard.

We only use fish from sustainable stocks, promoting fish recommended by the Marine Conservation Society (MCS).
