SUSTAINABLE MEETING PACKAGE

£68.00 PER GUEST

One Moorgate Place is currently fundraising for Hotel School. Reg Charity No. 1176270, If you would like to make a donation alongside your invoice, please speak to your Event Manager and they can add it as an optional discretionary item to your final invoice. Our suggestion would be £1 per delegate.

We are offering a sustainable and healthy package, with consideration to food miles, including seasonality and ethical provenance.

Highlights of our sustainability offering include:

- Our coffee, which comes from an organic cooperative of smallholders in Peru and from family-run single estates in Guatemala and Colombia.
- Championing local produce, with all fresh fruit, vegetables, cheese and dairy coming from within a 48-mile radius from the venue
- Any food waste is collected and processed through Anaerobic Digestion facilities and converted into renewable energy.

LAKE DISTRICT FARMERS

“At Lake District Farmers, we take immense pride in delivering the highest quality, ethically sourced produce from the heart of the English countryside. Our dedication to sustainable farming practices and animal welfare ensures that every cut of meat we provide is not only exceptional in flavour but also supports the rich agricultural heritage of the region.”

SUPPLIER FOCUS LAKE DISTRICT FARMERS

Lake District Farmers was founded in 2009 by the late Ray Armstrong to drive a quality-driven and sustainable supply chain for family-run fell farms in The Lake District.

So, fast forward to 2020, and LDF is now working with over 50 Cumbrian farms. These relationships have been, and still are crucial in enabling LDF to become synonymous, with producing some of the best quality, breed-specific meat available.

With quality being the Lake District Farmers' byword, it has been crucial to scale up the business slowly so that the core elements of the ethos are not lost. This has been key in enabling the company to develop a customer portfolio that includes some of the UK's best chefs, restaurateurs, and hotels.

LDF remains closely connected to the people and landscape that produce, rear, and raise their stock, being alongside them every step of the way.

Lake District Farmers have partnered with our client, ICAEW and Lancaster University, to work 'towards net-zero meat production' through their exciting 'Knowledge Transfer Partnership' program.

**Lake District
FARMERS**

The One Moorgate Place Sustainability Team recently embarked on a sustainability-themed tour organised by Lake District Farms, our main venue meat supplier. Our sustainability champions visited select farms in the Lake District, renowned for their commitment to sustainability and animal welfare. We had the privilege of engaging with passionate farmers dedicated to working harmoniously with the land and caring for their animals with immense love and expertise passed down through generations.

This tour offered us a deep appreciation for the hard work and knowledge that goes into producing high-quality, ethical animal products. Our hosts from Lake District Farms generously shared their extensive knowledge of the farm-to-fork journey, showcasing their modern processing facility where meat is meticulously graded, aged, and distributed. Their strong company ethos of delivering great quality ethical products truly resonated with us.

We use Lake District Farmers' meat for all our seated lunches and dinners.

We only source British beef, pork and chicken.

All our bacon is British-reared.

All Searcys signature dishes use British fruit and vegetables in season.

We use MCS (Marine Conservation Society) Good Fish Guide rated 1-3 fish and seafood only.

Our prawns are responsibly farmed.

We use British-milled flour and wild-grown wheat from regenerative farms and ancient British grains in our recipes.

All fresh eggs used in our kitchens are British free-range and RSPCA-certified.

Our plant-based and vegetarian dishes are featured prominently in all our venues, with the goal to make 25% of all menus by end 2025.

We champion seasonal British produce, from rhubarb to strawberries and heritage tomatoes, with hero ingredients traced to an individual farm.

We champion cooking chocolate from the Islands Chocolate farm in St. Vincent and the Grenadines.

In our recipes we champion British-harvested rapeseed oil.

We've launched a carbon footprint calculator trial to help us reduce the impact of our menus.

Wherever possible we use porcelain crockery, glassware and metal cutlery.

We do everything to minimise food waste, from menu and portion design to food waste separation.

We partner with food waste apps Too Good To Go, Olio and City Harvest.

We work with the best English Sparkling Wine producers, and have created our own label with a vineyard in Guildford.

We use Harrogate bottled water. Naturally sourced, it has the lowest food miles in the UK and is B-Corp accredited.

Camden Town and Toast (brewed with surplus wheat) supply our house beers.

Our coffee comes from an organic cooperative in Peru and family-run single estates in Guatemala and Colombia.

Our teas are responsibly sourced and are either Rainforest Alliance certified, organic or directly traded.

We have an apprenticeship programme for our people and offer over 40 development programmes for our colleagues.

We celebrate our people's contributions and loyalty with our Long Service awards and annual people awards.

We have been awarded the Disability Confident Employer certificate, which helps ensure all employees can fulfil their potential.

Our charities Hotel School and Beyond Food, help those at risk of unemployment and homelessness gain jobs in hospitality.

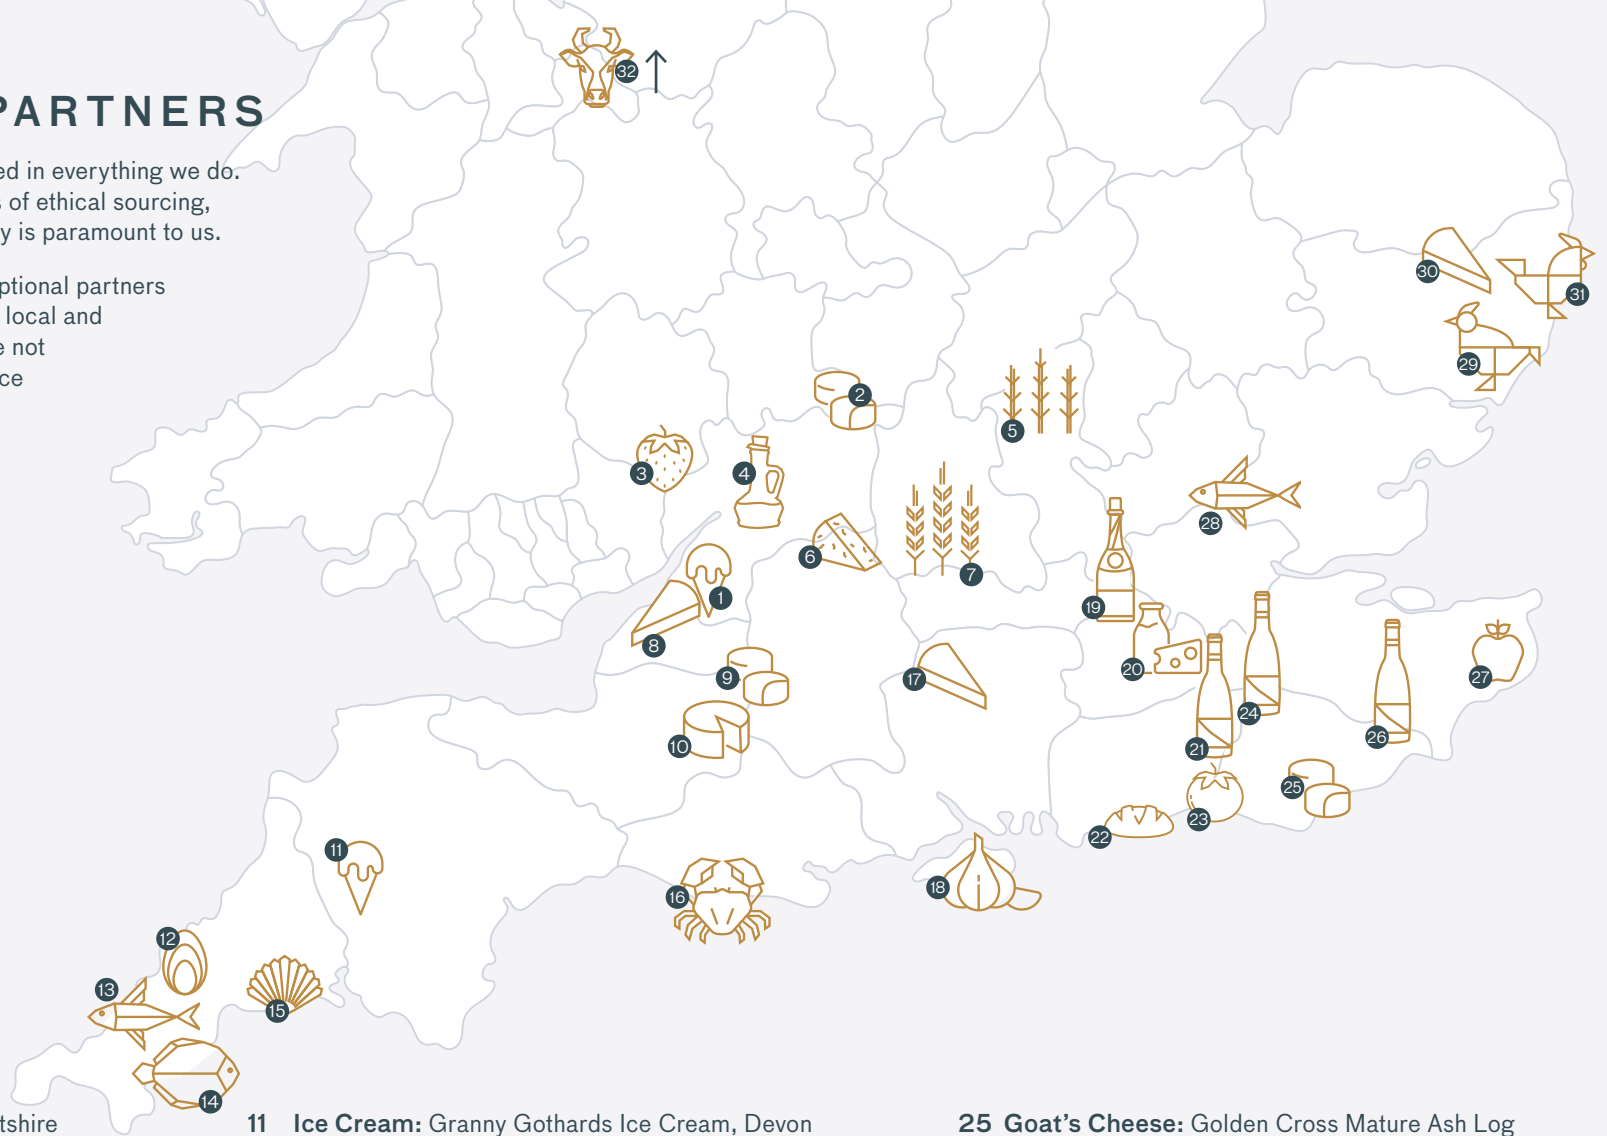

Tour de Searcys

In summer 2023, our annual charity cycle ride took us to Epernay, the home of Champagne and raised £22k for our partner charities.

LOCAL BRITISH PARTNERS

Our commitment to sustainability is ingrained in everything we do. Ensuring that our suppliers share our values of ethical sourcing, traceability, and environmental responsibility is paramount to us.

We take pride in curating a network of exceptional partners who uphold these standards. By prioritising local and seasonal produce for all Searcys events, we not only support our communities but also reduce our carbon footprint, contributing to a more sustainable future.
