

11 Cadogan Gardens, was built by Lord Cadogan in the late 19th century in the heart of the Royal Borough of Kensington and Chelsea. The neighbourhood gained popularity among Victorian high society, with the renowned location attracting aristocrats, politicians, and notable celebrities of the time.

Today, this distinguished boutique hotel proudly boasts an AA 5 Red Star rating and is a cherished member of Relais & Châteaux. Guests will find solace in the tranquil ambiance of the hotel, set against the backdrop of a serene private garden square, all while maintaining easy access to the vibrant pace of the city. The hotel's proximity to world-renowned shopping destinations such as Sloane Street and Harrods is a testament to its enviable location.

The Chelsea Townhouse

Nestled in London's prestigious Royal Borough of Kensington & Chelsea, The Chelsea Townhouse spans three neighbouring Victorian red-brick townhouses. As the newest London member of the Relais & Châteaux family, the property seamlessly blends British charm with contemporary elegance. Meticulously restored to preserve its rich heritage, the Townhouse boasts abundant natural light, period features, and original fireplaces.

Unique to the property is its privileged location on the private Cadogan Gardens, accessible exclusively to residents. In addition, the Drawing Room and select suites offer direct access to the garden, a feature that is truly one-of-a-kind in London. The service is as discreet as it is attentive, and with its blend of timeless charm, modern luxury, and access to London's finest offerings, The Chelsea Townhouse offers an unparalleled experience in the heart of the city.
